Sir,

With reference to above RTI, the pointwise reply is submitted as under:-

- Point '1' LSC at Sect.22 has only 4875 sqm. ^{project} Area which is not under the purview of environment clearance.
- Point '2' The name of officer who sanctioned bldg. Plan is Director (Bldg.) and his subordinate staff.
- Point '3' This FAR of allotted plot 4875 sqm. As per MPD-2001 provisions it gives restriction to 88 Nos. shops, which have been sanctioned accordingly.
- Point '4' This LSC has been sanctioned with proportionate numbers of shops based on area calculations required for LSC as per MPD-2001/BBL.
- Point '5' As there are only 88 Nos shops, hence no comments are offered.
- Point '6' It being a project earmarked in MPD-2001. Since it is a planned commercial centre of MPD-2001 measures to control vehicle movement, pollution resulting from such commercial centre have been planned.
- Point '7' No instructions in r/o natural source of ground water extraction for commercial use have been issued by Building Section.
- Point '8' No comments please.
- Point '9' No comments please, since mention is not specific.

Thanking you.

Yours faithfully,
