**Sub: Information required under RTI Act-05, your application dated 21-02-07, received in this office on 23-02-07**

In this regard, information as received from concerned office is as under :

1. The reply to letter dated 2.12.05 has not been sent, however, the issues raised in the said letter are same and covered under reference dated 6.12.06 which has been replied vide office letter no.F-9(48)/CC16/DDA/320 dated 9.3.07
2. The reply of letter dated 6.12.06 has been given vide letter no.320 dated 9.3.07
3. There is no deviation from original plan, the crossing of Pushpanjali Farms (Express line road - NH-8, Shiv Murty to underpass Dwarka) has been given as per approved plan issued by competent authority.
4. There is no deviation in the plan.
5. No comments.
6. Requisite answers furnished vide letter No.320 dated 9.3.07
7. The quality check was conducted by the then EE/SED-12 and welding of joints were satisfactory but due to high speed of traffic, the welding joints could not withstand the pressure. The steel grating over catch drains now has been got designed from the consultant for the traffic which is coming at a speed of 80-100 kms. against the required speed of 50-60 kms. as per IRO norms and action is in progress by the Flyover Division No.1.
8. A boundary wall along the periphery of service road between Airport Authority land has been constructed by DDA to stop flow of water from Airport Authority land, besides a 450mm dia RCC has also been laid for disposal of rain water towards Dwarka side to Village Bharthal George. Recently, the work has been transferred to Flyover Division No.1, DDA.
9. The maintenance of the road/service roads are under the charge of Flyover Division No.1
10. No permission has been given to Farm Houses for parking of vehicles along the service road, use of generator and tent houses.
11. Regarding violation of traffic on main road, Delhi Police/ Traffic Police, may be contacted.

**Sub Pilot Project of Sub-City Dwarka Link Road.**  
**Ref: Letter dated 6-12-2006**

**Dear Sir,**

This is with reference to your letter dated 6-12-2006 <sup>addressed to C.R.(SEZ)</sup> regarding matter subjected above. In this regard, parawise reply is furnished as under:-

**a) UNDERPASS**

In this regard, necessary action has been taken for getting the design of catch drain from the consultant. The catch drain is damaged due to heavy traffic which is coming at a speed of 80-100 km/hour against the required speed of 50-60km/hour as per IRC norms. The detailed drawings have been handed over to Flyover Divn. No.1 by field staff for execution of the work of catch drain as per approved design by the consultant.

**b) CROSSING-PUSHPANJALI ENCLAVE**

The intersection of RD-3700 has been given as per approved <sup>issued</sup> plan by the competent authority (Copy enclosed)

**c) WEDDINGS AT FARM -HOUSES**

It is a policy matter.

**d) DIGGING OF LANDSCAPING**

The MTNL is laying the cables through trenchless method for the Dwarka. The work has been completed and Dy.Director(Hort)IV,DDA has been requested to beautify the landscaping.

**e) UNCONTROLLABLE ACCESS OF CATTLE**

A boundary wall has been constructed by DDA to stop the cattle movement

**f) CROSSING-PUSHPANJALI ENCLAVE**

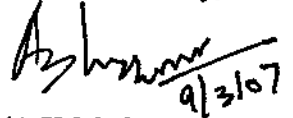

The intersection has been provided as per approved plan<sup>ISSUED</sup> by the competent authority.

**g) SERVICE LAND**

The service road are being cleaned and the work is under the charge of EE,FD-1,DDA ,Lakkar Mandi (Tel .No.25413202 )

It is a fact that the road was planned for the residents of Dwarka sub-city but allegation is wrong that under the pressure of farm houses mafia the crossing was put in place. The crossing has been put at Pushpanjali as per approved drawing by the competent authority.

Yours sincerely,

(A.K.Mathur)

Suptdg.Engineer/CC-16  
DDA.

Encl:As above.
